SONG Spring Spotlight Concert

Sunday, May 10 | 3:00 PM
Cobourg Collegiate Institute

Join us for SONG's Spring Spotlight Concert — the grand finale of our season and a celebration of everything our students have been building together since the fall.

Featuring performances from our Choirs, Strings, Rock Bands, and Music Clubs, this concert showcases the creativity, confidence, and community that define SONG. From first notes to full ensemble pieces, you'll experience the growth of young musicians from across Northumberland County.

This year's concert falls on Mother's Day, and we're marking the occasion with a special musical theme: Songs by women composers and creators — honouring the women who shape our lives, our communities, and our culture.

Whether you're a parent, supporter, or community member, this is your chance to see what happens when young people are given the tools, space, and encouragement to find their voice.

Tickets are pay-what-you-can (suggested start \$15)
All proceeds help keep SONG's programming free and accessible for all students.

Come celebrate the season. Come celebrate our students. Come celebrate the power of music.
