Based on the cult hit film, *The Full Monty* is filled with razor-sharp humour, toe-tapping pizzazz, and the most highly anticipated closing number of any show.

While spying on their wives at a "Girls' Night Out," a group of unemployed steelworkers from Buffalo come up with a bold (and unclothed) way to make some quick cash. In preparing for the show, they find themselves extremely exposed, both physically and emotionally. As they conquer their fears, self-consciousness, and prejudices, the men come to discover that they're stronger as a group, and the strength that they find in each other gives them the individual courage to let it all go. Based on the cult hit film, *The Full Monty* is filled with razor-sharp humour, toe-tapping pizzazz, and the most highly anticipated closing number of any show.
