Address: 99 Toronto Road, Port Hope, Ontario, L1A 3S4

Join CHCN and Cafe Lviv in this masterclass to learn how to make Ukrainian dumplings!

Opened in 2022, Cafe Lviv is more than just a popular Port Hope restaurant. It's also how newly arrived Ukrainian families have built community. In fact, 15 Ukrainian refugee families have been involved in the restaurant's operations, from servers to chefs, including three women who ran their own restaurants in Ukraine. CHCN is so grateful when community members want to share their traditional foods, recognizing it as a form of cultural preservation.

Hands on teaching will be provided, along with sampling some delicious refreshments featuring CHCN Garden produce. Spots are limited so register today by calling (905) 885-2626 ext 280. All ages welcome.

Thank you to Community Food Centres Canada and Medavie for supporting our work through the New Growth Fund! With this funding, we can expand our Sharing Garden operations, increasing access to local produce via the CHCN Food Cupboard and Food Garden, and organize outreach and educational events centered on food preservation.
